CUSTOM STEEL COMPONENTS BY AMERI-FAB

Ameri-Fab can work with you on any commercial project, no matter the application or size, and provide you with a superior, cost-effective solution. We've worked on a wide variety of projects including architectural steel awnings, ornamental wrought iron, tree guards and gabions. Some of our standard product line includes: skirting vents, air boxes, ventilation and drainage grates and much more.

DESIGN/BUILD TO ANY SPECIFICATION

Our talented design team can work with you to develop the perfect solution, whatever the project. We have standard and ornamental designs available, and our steel components can be manufactured to just about any specification. Custom finishes are available, as well as delivery and installation services.
