OSHA COMPLIANT FOLDING TRAILER STEP FROM AMERI-FAB

Ameri-Fab eliminates the hassle of locating, transporting or building a new step unit for your job trailer with our Folding Trailer Step. This step provides the peace of mind of having an OSHA compliant step unit at the ready with minimal setup time.

PRACTICAL AND EASY TO USE

Our folding trailer step makes your trailer functional in minutes. Simply unlatch the step and landing, adjust the legs/feet, install the handrails and you're all set. When it's time to move on to the next job site, place the handrails inside the trailer, fold up the landing, steps and support legs, lock into place and you're ready to go.
